EDUCATION

UNIVERSITY OF SOUTH CAROLINA

Columbia, SC (May 2029)

Bachelor of Science in Engineering

Major: Mechanical Engineering

Minor: Electrical Engineering

GPA: 3.706

Awards: SC LIFE Scholarship (2025-Present), Dean's List (Fall 2025)

PROFESSIONAL EXPERIENCE

Founding Member

Advocate

Rock Hill, SC (January 2024 – May 2025)

- I helped found my school's Debate Club and quickly became one of the leading examples for debate, inspiring others through preparation, delivery, and teamwork.

Performer

Marching Band

Rock Hill, SC (August 2021 - April 2025)

- Collaborated with 80+ peers to perform at athletic events and competitions, demonstrating teamwork and discipline, while mentoring newer members to improve performance.

Researcher

ARTSLab

Columbia, SC (December 2025-Present)

- Contributed to an ARTSLab research team by coding Arduino control systems and fabricating electronic components through soldering and circuit assembly.

LEADERSHIP EXPERIENCE

Youth Leader

Vietnamese Eucharistic Youth Movement (VEYM)

Charlotte, NC (October 2024 – Present)

- Served and taught with the Vietnamese Eucharistic Youth Movement (VEYM). Which focuses on spiritual growth and community service for the youth. I learned how to teach others how to find what they want to become and do.

Treasurer

Vietnamese Student Association

Columbia, SC (May 2026 – Present)

- Handled with money

SKILLS

- Proficient in Spanish and Vietnamese.
- Autodesk Fusion CAD Software.
- Autodesk Fusion Inventor Software.
- Creo Parametric CAD Software.
- KiCad CAD Software.
- Python Programming.

INVOLVEMENT

- Volleyball.
- Vietnamese Student Association (USC).
- Society of Automotive Engineers (USC).
- The American Society of Mechanical Engineers (USC).
